

Two Day Workshop on Research Methodology

Under the aegis of IQAC a two day workshop on Research methodology and practices was organized by the Department of Commerce & Economics in collaboration with the Department of Computer Science. The convener of this workshop was Dr. Gurpreet Singh. The resource person of this workshop was Dr Harjeet Kaur, Assistant Professor in Economics. On the first day Dr. Preetinder Singh was the moderator. He introduced the key speaker with the audience. This workshop was started with the welcome speech of Dr. Ajay Dutta (Head) Department of Computer Science. He welcomed all the participants present there. Dr. Harjeet Kaur started her lecture with a PPT on Research Methodologies. She thoroughly discussed the research process, methods used and also put some light on the technicalities of a research. All graduate and post graduate students of both Departments were present in this programme.

On the second day the moderator was Prof. Navdeep Singh. Dr. Harjeet Kaur discussed the research paper, how to write a research paper, steps to be followed and things to be considered while writing a research paper . This workshop was closed with the Principal's Speech. Prof. Jaspal Singh addressed the audience and also congratulated both departments for successful completion of this workshop. The key speaker was honored with a certificate. In the end Prof. Kanwar Kulwant Singh presented a vote of thanks to the audience.

About Workshop:

Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed.

Following topics will be covered in the workshop

- Introduction to Research Methodology
- Methodological Approach
- Writing Your Research Paper
- Ethical Considerations
- Choosing a right research Methodology

Date: 23 Feb to 24 Feb 2023

Time: 1:00 pm to 2:00 pm

High Tea: 2 pm
