

# **“Research Methodology and Practices” Workshop**

The two-days Workshop on “Research Methodology and Practices” was organized by the joint efforts of the Department of Computers Science & Applications, and the Department of Commerce & Economics on 23rd Feb to 24th Feb, 2023 at 1:00 pm to 2:00 pm. The venue of the workshop was Seminar Hall of Commerce Department. The resource person of this workshop was Dr. Harjeet Kaur, Assistant Professor in Economics. Dr. Preetinder Singh was the moderator on the first day of workshop. He introduced the key speaker with the audience. This workshop was started with the welcome speech of Dr. Ajay Dutta (Head of Department of Computer Science & Applications). He welcomed all the participants present there, and the honorable Principal Prof. Jaspal Singh.

Dr. Harjeet Kaur started her lecture with a PPT on Research Methodologies. She thoroughly discussed the research process, methods used and also put some light on the technicalities of a research. All graduate and post graduate students of both Departments were present in this program. On the second day the moderator was Prof. Navdeep Singh. Dr. Harjeet Kaur discussed the research paper, how to write a research paper, steps to be followed and things to be considered while writing a research paper. This workshop was closed with the Principal’s Speech. Prof. Jaspal Singh addressed the audience and also congratulated both departments for successful completion of this workshop. The key speaker, Dr. Harjeet Kaur, was honoured with a certificate. At the end Prof. Kanwar Kulwant Singh (Head of Department of Commerce) presented a vote of thanks to the audience.

The organizing team included: Prof. Gurpreet Singh Kalsi, Prof. Akriti, Prof. Gurjinder Kaur, Prof. Pawan Kumar, Prof. Kamini.

**About Workshop:**  
 Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to ensure reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed.

Following topics will be covered in the workshop

- Introduction to Research Methodology
- Methodological Approach
- Writing Your Research Paper
- Ethical Considerations
- Choosing a right research Methodology
