

# **Workshop on “Plant Sampling Techniques for Startup”**

## **9/12/2022**

The Greenery(Campus) committee under SOCIAL ENTREPRENEURSHIP, SWACHHTA & RURAL ENGAGEMENT CELL (SES REC) in collaboration with I.IC. of B.A.M. Khalsa College, Garhshankar has organised a workshop on “Plant Sampling Techniques for Startup” on 09/12/2022 at 10.30 a.m. in the back ground of the college. This workshop has been organized by the cell according to the instructions of Ministry of Education & Mahatma Gandhi National Council of Rural Education under the guidance of college principal Dr. Baljit Singh Khehra Ji. In the workshop the teaching faculty of Department of Life Sciences & Chemistry were present. The participating students were of Intermediate classes of B.A.M. Khalsa Collegiate Senior Secondary School, Garhshankar. In the workshop the gardener of the college, Mr. Nikku Ram has made aware the students on “How to fill the soil in the pots for plant sampling, How to make the composition of the soil to be filled in the pots and How to sample a plant in the pots.” The workshop was found to be very beneficial for the students.
