

DISASTER MANAGEMENT TRAINING BY NDRF (07/03/2023)

The National Cadet Corps (NCC), Security and Surveillance Committee (SSC), and 7th Battalion of the National Disaster Response Force (NDRF) jointly organized and executed an awareness-and-training program on disaster risk reduction at BAMKC.

At B.A.M. Khalsa College, Garhshankar, Inspector S. Manoj Kumar Bhardwaj and his team from the National Disaster Response Force (NDRF) briefed the NCC cadets and students on how to safeguard themselves and others during natural disasters. During this training, Inspector M.K. Bhardwaj addressed the gathering and stated that there is no time for natural disasters and that the first hour is crucial for saving lives. NDRF for the same objective. provided knowledge on disaster preparedness best practices, including CPR, fire, flood, emergency moves, blood control, improvised floating rafts, and earthquakes.

Lt. Gurpreet Singh of the NCC brought the training session to a successful conclusion. After the training session was over, principal Prof. Jaspal Singh expressed his thoughts and offered the team a vote of gratitude. The principal, teaching and non-teaching staff, NCC cadets, and other students were present throughout this training program.
