

World Environment Day

5/6/2023

Webinar on World Environment Day

On 05.06.2023, a webinar was organised on the occasion of World Environment Day by The Institution of Engineers, Punjab and Chandigarh State Centre jointly with B.A.M. Khalsa College, Garhshankar. Prof. Ritu of Language Department, welcomed and introduced all the guests of the webinar. The theme of this webinar was- Solution to Plastic Pollution. Firstly, she invited Dr. Labh Singh, he talked about different types of pollutions, their negative effects and the methods to mitigate the problem arising by pollution, in which he discussed recycle, reuse, renewable energy, preserve wildlife, Global collaboration.

Then, key speaker of this webinar- Mr. Amit Kumar discussed about the theme. He showed his presentation in which he talked about Circular Plastic Economy. Also, he gave few examples to show that how Indian people reuse things after they fully used. He discussed about e-waste that is also contributing to plastic pollution. In his conclusion, he gave emphasize on 3 things, i.e. reuse, recycle and reorient and diversify.

After that, HOD of Life Sciences Department Dr. Manbeer Kaur, Guest of honour of today's webinar, shared her views on single use plastic, its bad effects on animals and environment. According to her, reuse and recycling methods should be done in practice rather than saying.

Then, Dr. Rajni Lamba, CEO REEDS, Chief Guest of webinar, shared her views on reorient and diversify. She also motivated all to save the earth by reducing the use of plastic, so that we can make an earth a wonderful place to live for our coming generation.

Er. S.S.Mundi, FIE was also the part of this webinar. In the end, Er. Swinder Singh, FIE gave vote of thanks to all the guests and participants of this webinar.

The poster is for a webinar titled "WORLD ENVIRONMENT DAY" with the theme "Solutions to Plastic Pollution". It is organized by The Institution of Engineers (India) in collaboration with R.A.M. Khosla College, Gurbanshwar/Hoshiarpur (Punjab). The event is scheduled for June 27, 2022, from 4:00 p.m. to 5:00 p.m. via Google Meet. The poster lists several speakers: Mr. Anil Kumar (Faculty, Punjab State Institute of Technology), Dr. Rajat Lamba (CEO, The Green Environmental Engineering Development Institute), Dr. Manjinder Kaur (Head, Department of Life Sciences, R.A.M. Khosla College), Er. Swinder Singh, FIE (Gen. Secretary, FIE), Er. S.S. Mundi, FIE (Council Member, FIE), and Dr. Lakh Singh, FIE (Chairman, FIE).
