

# **World Environment Day, B.A.M Khalsa College, Garhshankar, under the aegis of MISSION LIFE-an initiative of Ministry of Environment, Forest and Climate Change, organized a Technical-talk- cum webinar 6/6/2023**

On the occasion of World Environment Day, B.A.M Khalsa College, Garhshankar, under the aegis of MISSION LIFE-an initiative of Ministry of Environment, Forest and Climate Change, organized a Technical-talk-cum webinar to promote sustainable practices and discuss the importance of incorporating sustainability in mission life. The webinar aimed to raise awareness about the environmental challenges we face and the role individuals and organizations can play in fostering sustainable living. The event brought together experts, professionals, and enthusiasts from various fields to share their insights and experiences.

Keynote Speaker:

Dr. Avtar Kaur Sidhu (Officer-in-Charge & Scientist E, Zoological Survey of India, Saproon, Himachal Pradesh)

Asst. Prof. Navdeep Singh initiated the webinar by giving a warm welcome to all the participants and introduced the keynote speaker with the participants. Prof. Janki Aggarwal gave a formal welcome to the keynote speaker.

Dr. Avtar Kaur Sidhu-the keynote speaker, highlighted the importance of reducing carbon footprint, conserving energy and water, adopting renewable energy sources, and practicing mindful consumption. She also emphasized the significance of sustainable transportation, waste management, and promoting biodiversity in daily life.
