

A Seven Day Workshop on “Everyday English Vocabulary” Starts from August 15, Especially Designed for Intermediate and Slow Learners

The Department of Languages of B.A.M. Khalsa College, Garhshankar always tries to impart quality education to its students. Apart from this, many activities are conducted for the students. From August 15, Asst. Prof. Navdeep Singh will conduct a seven day workshop to improve the vocabulary capacities of the students- who feel shy to speak English, only because of lack of words.

This workshop will be of great help to the students who are not fluent in the English language. College Principal, Prof. Lakhwinderjeet Kaur invites students to take benefit from this workshop. Principal also informed that this workshop was intended to start in the month of April, but because of some reasons was postponed, and now will start from August 15, 2023.
