

Get-Together of New-Comers

On 2 September 2024, the students of B.A.B.Ed. and B.Sc.B.Ed. 4th year organized a community lunch to welcome the first-year students of the Education Department and inculcate social values among them. HoD. Dr. Sangha Gurbaksh Kaur motivated the students to live in harmony with one another by participating in such events. The seniors prepared and served dishes like dal, rice, and halwa to their juniors. Everyone enjoyed it very much.
