

National Science Day Celebration 28/02/2024

The National Science Day was celebrated by the Departments of Sciences and Education in collaboration with III Science Society of Students at B.A.M. Khalsa College, Garhshankar. The day was celebrated with great enthusiasm under the theme "Indigenous Technology for Viksit Bharat". Around fifty students participated in various events. The events organized on this day were Poster Making, Poster Presentation, PowerPoint Presentation, Model/Project Presentation, Games and Puzzles. Students exhibited their creativity, knowledge and innovation by using indigenous material. They also created the awareness for the role of science in sustainable development for future. Dr. KuldeepKaur and Dr. Mukesh Sharma were the judges. The winners were awarded and all the participants were given participation certificates. At the end, prize distribution function was organized in the science lawn. Prof JaswinderKaur, Secretary, III Science Society of Students, appreciated the students for participating enthusiastically in the events and emphasized the role of science in daily life. Prof. LahwinderjeetKaur, Principal (0) motivated the students to participate in such events in future. Principal Jaspal Singh told the students about the positive and negative effects of science and encouraged the students to use science for global welfare. Principal Jaspalsingh, Dr. JankiAgarwal, Dr. ArwinderArora, Dr. ManbeerKaur, Dr. SanghaGurbakshKaur, Prof. JaswinderKaur, Prof. JatinderKaur, Dr. Mukesh Sharma, Dr. Preetinder Singh and Prof. Deepika honored the students by giving medals. During this, Professors of Life Sciences, Mathematics, Chemistry, Physics and Education Departments were present.
