The National Unity Day is celebrated in India on 31st October every year. It was introduced by the Government of India in 2014 to pay tribute to Sardar Vallabhbhai Patel on his birth anniversary for his extraordinary work in keeping India united. This year will mark the 147th birth anniversary of Sardar Vallabhbhai Patel, who is also known as the Iron Man of

India.

The speech competition was held at our college premises. Many students from different streams (Arts, Commerce, Science, Computers) took participation in this competition. Some of the students delivered their speech in Punjabi language and others in English language. All the competitors delivered their speech very confidently. The audiences were highly appreciating this event as it was very informative and knowledge gaining.
