

Two Days workshop on resume writing and mock interview

The Career Guidance and Placement Cell (CGPC) and the Institution's Innovation Council (IIC) of BAMKC organized a two-day workshop on "Resume Writing and Mock Interview" on 11th and 14th March 2024 at the BAMKC Auditorium. The workshop was aimed at preparing students for the job market by enhancing their resume writing skills and boosting their confidence through mock interviews.

On the first day, the focus was on resume writing, with industry experts guiding students on how to create a professional and tailored resume. The session covered essential components of a resume, the importance of customizing it for different job roles, and common mistakes to avoid. Participants had the opportunity to receive real-time feedback on their resumes, helping them to identify areas for improvement.

The second day was dedicated to mock interviews, simulating real-life interview scenarios. Students learned how to prepare for interviews, with a focus on behavioral interviews using the STAR technique. The session included mock interviews conducted by professionals, followed by detailed feedback, and tips on handling tough questions and improving non-verbal communication.

The workshop was well-received, with students expressing increased confidence in their ability to create effective resumes and perform well in interviews. CGPC and IIC plan to organize similar workshops in the future to further support students in their career development.
