Two Days Event on “Smart India Hackathon”

On 10th September, 2024: The Department of Computer Science and Applications of B.A.M. Khalsa College, Garhshankar in Collaboration with the Institution Innovation Council (IIC), has celebrated ‘Food Fest’ on the occasion of ‘Nutrition Week’ with great enthusiasm and fervor. The event has aimed to foster the spirit of entrepreneurship among students and faculty members, inspiring them to explore innovative ideas and venture into the world of business. The celebration has highlighted the importance of entrepreneurship with the use of technology.

Event Proceedings:

Day 1

On the first day of the hackathon, the students of BCA participated in this hackathon. In this event teams present their ideas through PPTs. The topic of their presentations was:

- Tourism
- Smart Education
- Disaster Management
- Smart Vehicles

The students were very enthusiastic for this event. Overall, the students felt that it was a practical activity of smart thinking. This event was organized very successfully.

Day 2

On the second day of the hackathon the students of B.Sc. participated in this hackathon. They present their ideas on

the topic:

- MedTech
- Heritage & Culture
- Miscellaneous

The students were very enthusiastic for this event. Overall, the students felt that it was a practical activity of smart thinking. This event was organized very successfully. In a nutshell, the idea behind organizing this type of event is to nurture and support the students to avail the option of Entrepreneurship also. Participants expressed positive feedback, appreciating the knowledge and inspiration they gained from the hackathon.

National Startup Day Celebration- 2025

National Startup Day Celebration
B.A.M. Khalsa College, Garhshankar
Date: 16th January 2025

The Institution's Innovation Council (IIC) of B.A.M. Khalsa College, Garhshankar, in collaboration with the Department of Commerce and Computer Science, celebrated **National Startup Day** on **16th January 2025** at 9:15 AM in the college's Smart Room. The event aimed to foster entrepreneurial spirit among students and provide them with a platform to showcase their innovative ideas.

Event Highlights:

The program began with a welcome address by . **Prof. Kanwar Kulwant Singh**, Head of the Department of Commerce and Economic. **Dr. Amandeep Heera**, Principal of the college, delivered an inspiring speech emphasizing the significance of startups in economic development.

The stage proceedings were gracefully managed by Prof. Gurjinder Kaur and Prof. Narinder Jit Kaur, who ensured the smooth flow of the program.

Student Activities:

To engage students and encourage their active participation, the following activities were organized:

1. **PPT Presentation:** Students presented their innovative

startup ideas and business plans through visually engaging presentations.

2. **Speech Competition:** Participants delivered speeches on topics related to entrepreneurship, innovation, and startup culture.
3. **Quiz Competition:** A quiz was conducted to test the entrepreneurial knowledge of the students, focusing on startup terminologies, successful entrepreneurs, and government initiatives.

The event witnessed enthusiastic participation from students across various departments, showcasing their creativity and critical thinking.

Conclusion:

The celebration of National Startup Day proved to be a successful endeavor in inspiring students to think innovatively and pursue entrepreneurial ventures. Prof. Deepika appreciated the efforts of the organizers and participants.

The program concluded with a vote of thanks delivered by **Dr. Ajay Dutta**, President of IIC, acknowledging the support of faculty members and the active participation of students. The event reinforced the college's commitment to fostering a culture of innovation and entrepreneurship among its students.

Special Acknowledgment:

Cash prizes were awarded to the five teams that participated in the quiz competition. These prizes were generously sponsored by Prof. Kanwar Kulwant Singh, Head of the Department of Commerce and Economics. This gesture served as a motivational boost for students to actively participate in such competitions and strive for excellence.

An Extension Lecture on “Print & Electronic Media – Possibilities and Challenges” by News Editor of Jag Bani/Punjab Kesari Chandigarh

The Department of Computer Science and Applications, in collaboration with the Department of Languages & Institute's Innovation Council (IIC) at B.A.M. Khalsa College, Garhshankar conducted a one-day workshop on Entrepreneurship Skill, Attitude and Behavior Development on January 29th 2024.

S. Jagjeevan Meeta was the keynote speaker of the workshop. He is a Sr. News Editor, Jag Bani & Punjab Kesari, Chandigarh. A workshop on “Electronic Media Skill Development” was organized with the aim of enhancing the proficiency of participants in utilizing electronic media platforms effectively.

This workshop focused on imparting knowledge and practical techniques relevant to the contemporary digital landscape, equipping attendees with the skills necessary for success in the electronic media industry. An expert in electronic media delivered a comprehensive presentation covering various aspects of electronic media, including social media marketing, content creation, digital advertising, and audience engagement strategies. The presentation provided participants with valuable insights into the evolving landscape of electronic media and highlighted the importance of mastering digital skills in today's interconnected world. Real-world case studies were presented to illustrate the practical application of electronic media strategies in various contexts. By examining successful electronic media campaigns and initiatives, participants gained valuable insights into effective digital marketing techniques and content creation strategies. Hands-on activities were organized to provide participants with practical experience in using electronic

media tools and platforms. Participants were given the opportunity to create and optimize content for different electronic media channels, allowing them to apply the concepts and techniques learned during the lecture.

The workshop on Electronic Media Skill Development was successful in achieving its objectives of enhancing participants' proficiency in utilizing electronic media platforms effectively. By providing participants with valuable insights, practical techniques, and hands-on experience, the lecture has equipped them with the skills necessary to thrive in the digital age.

Diwali Celebration 2023

On 10th November 2023, On the occasion of Diwali, 'Diwali Celebrations' event was organised by the Department of Computer Science and Applications in collaboration with IIC. The programme was organised under the guidance of the head of the department Dr. Ajay Dutta. Vice Principal Prof. Kanwar Kulwant Singh was the chief guest on this occasion. All the staff members of DCSA welcomed the chief guest and faculty members of College. Prof. Kamini guided the students for speech.

All graduate and postgraduate students of the Department of Computer Science and Applications were present in this programme. Students, named as Ms. Harpreet Kaur from BCA1, Ms. Anchal and Ms. Deeksha Thakur presented their speech and shared the importance of 'GREEN DIWALI'. All class rooms and computer labs were decorated by their students. Students were guided by their respective Class Coordinator for decoration and rangoli making.

BCA1, BCA2, BCA3, PGDCA and MSC.IT was guided by Prof. Manpreet Singh ,Prof. Narinder Jit Kaur, Prof. Ruchi, Prof. Priyanka Bhatia and Prof. Harjot Kaur respectively. Vice Principal Prof. Kanwar Kulwant Singh also interacted with students and congratulated the faculty members on 'Diwali'. Dr. Ajay Dutta, Head of the Department of Computer Science and Applications, addressed the students and blessed all the students at the event
