# National Startup Day Celebration- 2025

National Startup Day Celebration  
B.A.M. Khalsa College, Garhshankar

**Date: 16th January 2025**

The Institution's Innovation Council (IIC) of B.A.M. Khalsa College, Garhshankar, in collaboration with the Department of Commerce and Computer Science, celebrated **National Startup Day** on **16th January 2025** at 9:15 AM in the college's Smart Room. The event aimed to foster entrepreneurial spirit among students and provide them with a platform to showcase their innovative ideas.

### **Event Highlights:**

The program began with a welcome address by . **Prof. Kanwar Kulwant Singh**, Head of the Department of Commerce and Economic. **Dr. Amandeep Heera**, Principal of the college, delivered an inspiring speech emphasizing the significance of startups in economic development.

The stage proceedings were gracefully managed by Prof. Gurjinder Kaur and Prof. Narinder Jit Kaur, who ensured the smooth flow of the program.

### **Student Activities:**

To engage students and encourage their active participation, the following activities were organized:

1. **PPT Presentation:** Students presented their innovative startup ideas and business plans through visually engaging presentations.
2. **Speech Competition:** Participants delivered speeches on topics related to entrepreneurship, innovation, and startup culture.
3. **Quiz Competition:** A quiz was conducted to test the entrepreneurial knowledge of the students, focusing on startup terminologies, successful entrepreneurs, and government initiatives.

The event witnessed enthusiastic participation from students across various departments, showcasing their creativity and critical thinking.

### **Conclusion:**

The celebration of National Startup Day proved to be a successful endeavor in inspiring students to think innovatively and pursue entrepreneurial ventures. Prof. Deepika appreciated the efforts of the organizers and participants.

The program concluded with a vote of thanks delivered by **Dr. Ajay Dutta**, President of IIC, acknowledging the support of faculty members and the active participation of students. The event reinforced the college's commitment to fostering a culture of innovation and entrepreneurship among its students.

### **Special Acknowledgment:**

Cash prizes were awarded to the five teams that participated in the quiz competition. These prizes were generously sponsored by Prof. Kanwar Kulwant Singh, Head of the Department of Commerce and Economics. This gesture served as a motivational boost for students to actively participate in such competitions and strive for excellence.

# **An Extension Lecture on “Print & Electronic Media – Possibilities and Challenges” by News Editor of Jag Bani/Punjab Kesari Chandigarh**

The Department of Computer Science and Applications, in collaboration with the Department of Languages & Institute’s Innovation Council (IIC) at B.A.M. Khalsa College, Garhshankar conducted a one-day workshop on Entrepreneurship Skill, Attitude and Behavior Development on January 29th 2024.

S. Jagjeevan Meht was the keynote speaker of the workshop. He is a Sr. News Editor, Jag Bani & Punjab Kesari, Chandigarh. A workshop on “Electronic Media Skill Development” was organized with the aim of enhancing the proficiency of participants in utilizing electronic media platforms effectively.

This workshop focused on imparting knowledge and practical techniques relevant to the contemporary digital landscape, equipping attendees with the skills necessary for success in the electronic media industry. An expert in electronic media delivered a comprehensive presentation covering various aspects of electronic media, including social media marketing, content creation, digital advertising, and audience engagement strategies. The presentation provided participants with valuable insights into the evolving landscape of electronic media and highlighted the importance of mastering digital skills in today's interconnected world. Real-world case studies were presented to illustrate the practical application of electronic media strategies in various contexts. By examining successful electronic media campaigns and initiatives, participants gained valuable insights into effective digital marketing techniques and content creation strategies. Hands-on activities were organized to provide participants with practical experience in using electronic media tools and platforms. Participants were given the opportunity to create and optimize content for different electronic media channels, allowing them to apply the concepts and techniques learned during the lecture.

The workshop on Electronic Media Skill Development was successful in achieving its objectives of enhancing participants' proficiency in utilizing electronic media platforms effectively. By providing participants with valuable insights, practical techniques, and hands-on experience, the

lecture has equipped them with the skills necessary to thrive in the digital age.
