Career Guidance and Counseling Session

Event Report Regarding Career Guidance and Counseling Session

On 25th May, 2022 there is Career Guidance and counseling session is organized by Department of Computer Science and Applications (DCSA) at computer lab 11'0 clock. This session is held for the outgoing batches of BCA and PGDCA.

We invited Dr. Gurpreet Singh an Assistant Professor of Department of Commerce and Economics to guide students about career and future ventures. He tells us that the knowledge is the key to make your career. Studying and holding a degree in hand will not benefit until you have the right skills. He provides knowledge about local level, national level and international level to make career.

After that Dr. Ajay Dutta (HOD) Department Of Computer Science and Applications provide a very valuable guidance about career through presentation. He tells students after B.C.A many fields available you choose like Internships, Own Business start up, School Service Commission, Indian Railway Services, all competitive Exams etc. And he also tells about further

studies post graduation like (MCA, M.sc IT, NET/SET) and so on. He tells about how to verified company profiles through www.glassdoor.co.in and provides important links for internships to studies and encourages applying them. He provides information about govt. Sector as well as private sector platforms.
