About Workshop:
 Research methodology is a way of explaining how a researcher intends to carry out their research. It's a logical, systematic plan to resolve a research problem. A methodology details a researcher's approach to the research to create reliable, valid results that address their aims and objectives. It encompasses what data they're going to collect and where from, as well as how it's being collected and analyzed.

Following topics will be covered in the workshop

- Introduction to Research Methodology
- Methodological Approach
- Writing Your Research Paper
- Ethical Considerations
- Choosing a right research Methodology

**BAMKC's NCC Unit hosts a
lecture on India's G-20
Presidency (23/02/2023)**

The G20 lecture titled “G20 and India’s Presidency” was arranged by the NCC unit of the B.A.M. Khalsa College and held on February 23, 2023, in the BAMKC’s M. Com Seminar hall. The moderator for the day was SUO PartEEK. She extended a warm welcome to the academic staff, especially Professors Kanwar Kulwant Singh and Gurpreet Singh. She welcomed the seminar attendees, including the NCC cadets. Prof. Kanwar Kulwant emphasized the significance and applicability of the discussion. UO-Harmanpreet Kaur presented the related PPT. She also emphasized some of the crucial ideas that India is likely to adopt under the incoming administration, like Women’s Empowerment and Digital India. Natural Catastrophe Mechanisms for risk management, eco-friendly technology, conservation of resources, resource effectiveness, and, most importantly, the growth and development of vertical agriculture. One Earth, One Family, One Future is the slogan during India’s G-20 presidency. India has the chance to demonstrate to the world at the G20 its potential to become a global leader as well as what it is capable of once it does so. After the lecture, there was an excellent Question and Answer period. SUO gave a vote of thanks at the program’s conclusion.
