

Model Making Competition

On 27th February, 2025:

The Department of Computer Science of B.A.M. Khalsa College, Garhshankar in Collaboration with the Institution Innovation Council (IIC) celebrated **Model Making Competition** at Computers' Lab of B.A.M. Khalsa College, Garhshankar. The event aimed to foster the spirit of innovation among students and faculty members, inspiring them to explore innovative ideas and venture into the world. The celebration highlighted the importance of technology in today era. 40 Students of Computer Science Department actively took part in this event and make different models on technology like :

- (a)Generations of Computer
- (b)Vaccum Cleaner
- (c) Hologram
- (d)Networking
- (e)Burst Brain
- (f) Hardware

Celebration on Holla Mahalla

The Department of Commerce at Babbar Akali Memorial Khalsa College, Garhshankar celebrated Holla Mohalla with great enthusiasm on 13th March 2025. The event was organized to honor the rich traditions of Sikh history and to remember the contributions of Shri Guru Gobind Singh Ji.

Prof. Kanwar Kulwant Singh and Dr. Gurpreet Singh addressed the students, highlighting the historical and spiritual significance of Holla Mohalla. They explained how this festival, initiated by Guru Gobind Singh Ji, serves as a symbol of valor, discipline, and unity in Sikh culture. They emphasized the importance of courage and resilience, values that are deeply associated with this day.

The event concluded on a note of inspiration, leaving students with a deeper understanding of Sikh heritage and the significance of Holla Mohalla. The Department of Commerce successfully created an atmosphere of learning and reverence, making the celebration both educational and memorable.

The ‘Business Carnival – 2025’

The Business Carnival 2025 was successfully organized at Babbar Akali Memorial Khalsa College, Garhshankar by the Department of Commerce and Computer Science under the aegis of the Institution’s Innovation Council (IIC) and proudly sponsored by Business Students’ Association (BSA).

The event witnessed enthusiastic participation from both the host college students and participants from various other colleges, making it a vibrant and collaborative platform for young innovators and entrepreneurs. The carnival featured a variety of stalls and activities, including:

- Food Stalls: Students showcased their entrepreneurial skills by setting up creative and diverse food stalls, offering a range of local delicacies and innovative snacks.
- Games and Models: Interactive game stalls drew significant

crowds, while innovative business models and technology projects were presented by students, highlighting their creativity and problem-solving abilities.

Adding to the festive atmosphere, several local sponsors extended their support, further strengthening the bond between the academic and business communities.

A key highlight of the day was the live music performance on the main stage, which kept the energy high and the audience entertained throughout the event.

The Business Carnival 2025 not only provided students with a platform to showcase their entrepreneurial talents but also fostered collaboration, creativity, and community engagement. The event was a resounding success, leaving everyone inspired and motivated for future initiatives. Principal Dr. Amandeep Heera congratulated the whole faculty for this successful event.

**One day Educational Trip to
Mrs. Bector's Food**

Specialities Ltd. in Tahliwal

The Department of Commerce and the Department of Computer Science jointly organized an industrial and educational tour on February 22, 2025. As a part of this tour, students visited Mrs. Bector's Food Specialities Ltd. in Tahliwal, Himachal Pradesh, where they gained firsthand experience of the production process for Cremica biscuits and other factory operations. The visit was both informative and engaging as we witnessed the various stages of production and quality control. The staff explained the step-by-step process of mixing, baking, cooling, and packaging of biscuits. This insightful industrial visit was coordinated by Prof. Ashwini Kumar, who deserves special appreciation for his efforts.

Following the industrial visit, the students proceeded to

Raipur Maidan, a scenic tourist destination, where they had an enjoyable and refreshing experience. After this, the students proceeded to Hotel Sea Rocks for a relaxing lunch and tea session.

This educational tour was a perfect blend of learning and fun. The visit to Cremica Factory enhanced the understanding of food processing technology, while the trip to Sea Rocks Hotel offered insights into hospitality management.

Expert Talk on the Occasion of Pi Day

The Department of Mathematics at Babbar Akali Memorial Khalsa College, Garhshankar, under the guidance of Principal Dr. Amandeep Heera, hosted an enlightening Expert Talk on 13th March 2025 to celebrate Pi Day, celebrated globally as International Mathematics Day, to honor the mathematical constant π (pi) and its profound significance in the field of mathematics. The event, held in the college's Smart Room at 10:30 AM, saw the participation of faculty members and students who eagerly gathered to explore the theme "The Magic of Pi and Symmetry." The celebration began with a warm welcome address by Principal Dr. Amandeep Heera, who underscored the importance of Pi Day as a testament to the universal relevance of mathematics. She highlighted how π , an irrational number that is central to geometry, physics, and engineering, symbolizes the boundless possibilities of mathematical exploration and aligns with the college's commitment to fostering scientific curiosity and critical thinking. Dr. Preetinder Singh introduced the distinguished guest speaker, Dr. Yashpreet Kaur, Assistant Professor from the Thapar

Institute of Engineering and Technology. Dr. Preetinder Singh lauded Dr. Yashpreet Kaur's notable contributions to mathematics and her expertise, setting the stage for an engaging session. In her captivating keynote lecture, Dr. Yashpreet Kaur provided profound insights into the interplay between π and symmetry as observed in nature, art, and technology. Her interactive presentation, enriched with visual models and historical anecdotes, made complex concepts accessible to all attendees. The session concluded with a heartfelt vote of thanks delivered by Prof. Deepika, Head of the Mathematics Department, who expressed gratitude to Dr. Yashpreet Kaur for her enlightening discourse and acknowledged the efforts of the organizing team and the enthusiastic participation of students and faculty members. Attendees included Dr. Manbeer Kaur, Dr. Kuldeep Kaur, Dr. Jatinder Kaur, Prof. Chandni, Prof. Simran Kaur, Prof. Neeraj Viridi, and Prof. Amanpreet Kaur. The event concluded on a high note, reinforcing the beauty and utility of mathematics and inspiring students to delve deeper into mathematical sciences. Notably, the college chose to observe Pi Day on 13th March 2025, a day ahead of the globally recognized date of 14th March, to accommodate academic schedules.

National Science Day

Babbar Akali Memorial Khalsa College, Garhshankar Celebrates National Science Day

Under the management of the Shiromani Gurdwara Parbandhak Committee, Babbar Akali Memorial Khalsa College, Garhshankar, celebrated National Science Day with great zeal and enthusiasm. The event, organized by the Department of Science and Education in collaboration with the III Society of Science Students, EEP, and IIC, was held under the visionary leadership of Principal Dr. Amandeep Heera.

The primary objective of this celebration was to nurture scientific temperament, foster creativity, and encourage innovative thinking among students. As part of the event, Poster Making and Poster Presentation competitions were

conducted, providing a platform for young minds to showcase their scientific insights and artistic expression.

Results of the Competitions

Poster Presentation Competition:

- First Prize: Simran Kaur & Manisha (B.Sc. B.Ed, 3rd Year)
- Second Prize: Bhavna & Swati (M.Sc., 2nd Year, Chemistry)
- Third Prize: Komal & Taranpreet Kaur Tpanu (B.Sc. B.Ed, 1st Year)
- Third Prize: Dheeraj Chaudhary & Himanshu Puri (B.Sc. B.Ed, 1st Year)
- Consolation Prize: Abhinandini & Ishika Verma (B.Sc. B.Ed, 3rd Year)

Poster Making Competition:

- First Prize: Kirandeep Kaur (B.Sc., 3rd Year)
- Second Prize: Ravi Seera (B.Sc., 3rd Year)
- Third Prize: Simran Kaur (B.Sc. B.Ed, 3rd Year)
- Third Prize: Ishika Verma (B.Sc. B.Ed, 3rd Year)
- Consolation Prize: Jagseer Singh (B.Sc. B.Ed, 1st Year)
- Consolation Prize: Shweta Suman (B.A. B.Ed, 1st Year)

The prize distribution ceremony was a moment of pride and encouragement for all participants. The distinguished presence of Prof. Lakwinderjeet Kaur, Dr. Janki Aggarwal, and esteemed faculty members from the Science and Education departments further added value to the event.

The celebration of National Science Day at the college successfully instilled a spirit of scientific inquiry and aesthetic appreciation among students, reinforcing the importance of research, innovation, and creativity in shaping the future.

Career Guidance and Placement Cell Organizes Mock Interview

Session to Enhance Students' Career Readiness

Report on Mock Interview – Round 1

Organized by: Career Guidance and Placement Cell in Collaboration with the IIC

Date: 1st March 2025

Time: 10:00 AM

Venue: SMART Room, Babbar Akali Memorial Khalsa College, Garhshankar

Introduction

The Career Guidance and Placement Cell of Babbar Akali Memorial Khalsa College, Garhshankar, in collaboration with the Institution's Innovation Council (IIC), successfully conducted Mock Interview – Round 1 on 1st March 2025. The session aimed to provide students with a real-time interview experience and help them develop confidence in facing professional interviews.

The event was conducted under the guidance and support of **Dr. Amandeep Heera, Principal**, whose vision focuses on enhancing students' career opportunities through such practical learning initiatives.

Objectives of the Event

- To provide students with a practical understanding of interview techniques.
- To enhance communication, problem-solving, and presentation skills.
- To build confidence and reduce interview-related anxiety.

- To offer expert feedback for improvement.

Event Highlights

The session was guided by Dr. Gurpreet Singh, Coordinator, CGPC, who provided valuable insights into interview strategies, employer expectations, and key areas of improvement for the students. Under his guidance, the mock interviews were conducted in a professional setting, where students were assessed on various parameters such as body language, technical knowledge, problem-solving ability, and overall personality.

Students actively participated in the session, answering a variety of technical and HR-based questions. Dr. Ajay Dutta provided individual feedback, highlighting strengths and suggesting areas for improvement. The session was interactive, allowing students to clarify doubts regarding interview techniques and industry expectations.

Conclusion

The Mock Interview – Round 1 was a highly engaging and insightful session, equipping students with the necessary skills to face job interviews confidently. The participants appreciated the structured approach and expert guidance, particularly from Dr. Gurpreet Singh, whose mentorship played a key role in the session's success.

The Career Guidance and Placement Cell looks forward to organizing more such events to further enhance the employability and career readiness of students.

Inauguration of Augmented & Virtual Reality Bootcamp

The Institution's Innovation Council (IIC), Career Guidance and Placement Cell, and the Department of Computer Science at Babbar Akali Memorial Khalsa College, Garhshankar, in collaboration with the National Institute of Electronics and Information Technology (NIELIT), Chandigarh, proudly inaugurated the Augmented & Virtual Reality Bootcamp on February 28th, 2025. This bootcamp, conducted under the FutureSkills PRIME Scheme, aims to provide participants with in-depth knowledge and hands-on experience in AR/VR technologies and game development.

The inaugural session commenced in the esteemed presence of Dr. Amandeep Heera, Principal of the College, who extended a warm welcome to all distinguished guests, faculty members, and students. He emphasized the significance of emerging technologies like Augmented Reality (AR) and Virtual Reality (VR) in revolutionizing industries and creating new career

opportunities for students.

Dr. Sarwan Singh, Joint Director, NIELIT, delivered the keynote address, highlighting the increasing demand for AR/VR applications in various sectors, including gaming, healthcare, education, and entertainment. He encouraged students to leverage this bootcamp as a stepping stone for developing industry-relevant skills.

The event was also graced by Prof. Kanwar Kulwant Singh (HOD, Commerce Department), Prof. Gurpreet Singh Kalsi and Prof. Deepika (Convener, IIC). Dr. Ajay Dutta (President, IIC) also addressed the audience, discussing the role of AR/VR technologies in fostering technical proficiency among students.

The event concluded with a vote of thanks by Prof. Kanwar Kulwant Singh, expressing gratitude to Dr. Sarwan Singh and his team members Mr. Lovnish Verma and Mr. Nikshep Paliwal and all attendees for their enthusiastic participation. This five-day bootcamp (March 3 – March 7, 2025) is expected

to equip students with cutting-edge knowledge, fostering innovation and skill development in AR/VR technologies.

Celebration of National Science Day on the Theme “Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat”

Under the management of the Shiromani Gurdwara Parbandhak Committee, Babbar Akali Memorial Khalsa College, Garhshankar,

celebrated National Science Day with great zeal and enthusiasm. The event, organized by the Faculty of Sciences and Education in collaboration with the III Society of Science Students, EEP, and IIC, was held under the visionary leadership of Principal Dr. Amandeep Heera. The primary objective of this celebration was to nurture scientific temperament, foster creativity, and encourage innovative thinking among students. As part of the event, Poster Making and Poster Presentation competitions were conducted, providing a platform for young minds to showcase their scientific insights and artistic expression. In the poster presentation competition First Prize was given to Simran Kaur and Manisha of B.Sc.B.Ed. 3rd Year. The Second position was nailed by Bhavna and Swati of M.Sc.(Chemistry) 2nd Year. The third position was bagged by two teams: Komal & Taranpreet Kaur and Dheeraj Chaudhary & Himanshu Puri of B.Sc.B.Ed. 1st Year. The consolation prize was awarded to Abhinandini and Ishika Vermna of B.Sc.B.Ed. 3rd Year. In the poster making competition, First Prize was given to Kirandeep Kaur of B.Sc.(Medical) 3rd Year. The Second position was nailed by Ravi Seehra of B.Sc.(Non-medical) 3rd Year. The third position was bagged by two teams: Simran Kaur of B.Sc.B.Ed. 3rd Year and Ishika Verma of B.Sc.B.Ed. 3rd Year. The consolation prize was awarded to Jagseer of B.Sc.B.Ed. 1st Year and Shweta & Suman of B.A.B.Ed. 1st Year. The prize distribution ceremony was a moment of pride and encouragement to all participants. The distinguished presence of Prof. Lakwinderjeet Kaur, Dr. Janki Aggarwal, and esteemed faculty members from the Science and Education departments further added value to the event. The celebration of National Science Day at the college successfully instilled a spirit of scientific inquiry and aesthetic appreciation among students, reinforcing the importance of research, innovation, and creativity in shaping the future.
