

Seminar on Financial Literacy and Cyber Security

**BABBAR AKALI MEMORIAL KHALSA COLLEGE
GARHSHANKAR**
UNDER THE MANAGEMENT OF SGPC
AFFILIATED TO PANJAB UNIVERSITY CHANDIGARH

Career Guidance and Placement Cell in Collaboration with
The Department of Commerce and Department of Computer Science organises

**FINANCIAL LITERACY &
CYBER SECURITY** 

AWARENESS PROGRAMME

 Empowering students with Financial Knowledge, Safe Digital Practices & Secure Future

 **DATE**
12 OCTOBER
2026

 **TIME**
10:00 AM
ONWARDS

 **VENUE**
SMART
CLASS ROOM

 **LEARN**
Smart Financial Practices

 **STAY SAFE**
Be Aware of Cyber Threats

 **MAKE WISE CHOICES**
Build a Secure Financial Future

 **BE PREPARED**
For a Digital & Financially Strong Life

AWARE TODAY. SECURE TOMORROW. SUCCEED ALWAYS.

SPEAKER

Mr. Parveen Kumar
Certified SMART Trainer - SEBI
Expert in Financial Literacy, Investment Awareness & Cyber Security Education

 Let's build a financially aware and cyber secure society together! 

WHAT YOU WILL GAIN

 **PRACTICAL KNOWLEDGE**

 **CYBER SAFETY AWARENESS**

 **FINANCIAL WISDOM**

 **CONFIDENT DECISIONS**

Department of Commerce, Department of Computer Science and Career Guidance and Placement Cell of Babbar Akali Memorial Khalsa College, Garhshankar, organised a Seminar on “Financial Literacy and Cyber Security” on 12 October, 2026 at the college Seminar Hall. This programme was coordinated by Dr. Janki Aggarwal who delivered welcome address at the beginning of the session. The programme was organised to create awareness among students about financial literacy, smart investment practices, and online safety.

The resource person for the session was Mr. Parveen Kumar, SEBI-Certified SMART Trainer, who delivered an insightful talk on the importance of making informed investment decisions and adopting safe digital practices. He guided students on the fundamentals of SMART investment, the significance of financial planning, and the need to understand investment risks before investing money. He also highlighted the importance of investor awareness and responsible financial

behaviour.

During the session, Mr. Kumar discussed various aspects of Cyber Security, including online fraud, phishing attacks, suspicious links, digital payment scams, and the protection of personal and financial information. He encouraged students to remain vigilant while using digital platforms and to follow essential cyber safety practices to protect themselves from online threats. The lecture helped students understand the close connection between financial awareness and digital security in today's technology-driven world.

The programme coordinator, Dr. Janki Aggarwal ensured the smooth conduct of the event. Prof. Gurjinder efficiently conducted the stage proceedings.

At the conclusion of the session, Principal, Dr. Amandeep Heera delivered the vote of thanks. She expressed her gratitude to the resource person for sharing valuable knowledge and practical insights with the students. She also appreciated the collective efforts of the organising departments, the Career Guidance and Placement Cell, and the faculty members for arranging this informative programme.

The Seminar proved to be a valuable learning experience for the students, enhancing their understanding of SMART investment, financial awareness, and Cyber Security. The programme concluded with a message encouraging students to make informed financial decisions and practise safe and responsible digital behaviour.

The event was attended by Principal Dr. Amandeep Heera, Dr. Ajay Dutta (Head of the Department of Computer Science) and Dr. Gurpreet Singh (Coordinator of the Career Guidance and Placement Cell). Faculty members of both the Department of Computer Science and the Department of Commerce along with students from both departments, were also present and participated in the programme.

30-Hour Short-Term Course in Basic Chemistry Topics

Under the able guidance of the worthy Principal, Dr. Amandeep Heera, the Chemistry Department of Babbar Akali Memorial Khalsa College, Garhshankar, organised a 30-Hour Short-Term Course in Basic Chemistry Topics with the objective of strengthening students' fundamental knowledge, conceptual understanding, and practical laboratory skills.

The course was structured over 30 days and comprised five modules of six hours each: Atomic Structure and Periodicity, Chemical Bonding and Geometry, Stoichiometry and Kinetics, Core Organic Chemistry, and Laboratory Techniques and Applications. The course covered essential topics, including quantum numbers, chemical bonding, the mole concept, chemical kinetics, organic reaction mechanisms, titration techniques, and laboratory safety.

The programme aimed to reinforce fundamental concepts, address learning gaps, enhance problem-solving abilities, and prepare students for advanced studies and competitive examinations.

Dr. Mukesh Sharma, Head of the Department of Chemistry, served as the Faculty Coordinator. Mr. Neeraj Virdi, Ms. Baldeep Kaur, Ms. Sandeep Kaur, and Ms. Esha Rani, members of the Chemistry faculty, constituted the organising committee and contributed to the successful conduct of the course.

During the valedictory function, the worthy Principal, Dr. Amandeep Heera, encouraged students to appreciate the relevance of chemistry in everyday life and motivated them to participate in similar academic initiatives to enhance their knowledge and skills.

The programme concluded successfully, reflecting the Department of Chemistry's commitment to academic excellence,

quality education, and the development of a strong conceptual foundation among students.
